**Jury Questionnaire Directions**

The integrity of our legal system depends on the fairness and impartiality of jurors. This questionnaire has been prepared to assist the court and the parties in determining whether you may have had personal experiences or knowledge about the issues to be decided by the jury. There are no right or wrong answers to any question. Please fill out the form completely in ink. Since we need to make copies, do not write on the back of any page. If you need more room, continue at the bottom or side of the page, or on the last page (noting question number).

Please answer the questions honestly and completely. This questionnaire is part of the public record of a public trial. In the event that some of the questions call for sensitive personal information, which you wish not to disclose here, please indicate that in your response. You will be provided an opportunity to speak with the judge and/or the attorneys outside the presence of the other jurors. Please leave the completed form with the Jury Assembly Room Clerk before you leave.

**PLEASE DO NOT TAKE THIS FORM WITH YOU.**
