

denominated "mandatory appearance violations," the collateral in the amount listed opposite the offense shall be forfeited to the United States. The posting of collateral shall signify that the offender does not contest the charge nor request a hearing before the designated United States Magistrate Judge.

If a defendant fails to post such collateral, request a hearing or appear in response to a citation or violation notice, the Central Violations Bureau or the Magistrate Judge may issue a notice for the defendant to appear before a Magistrate Judge on a date certain or to post collateral in lieu of appearance in accordance with the following schedules. If a defendant fails to respond to such notice, the Magistrate Judge may issue an arrest warrant or, if no warrant is requested by the attorney for the government, a summons in accordance with 58(d)(3), Federal Rules of Criminal Procedure. Such arrest warrant or summons may provide that the defendant may pay a fixed sum, not to exceed the maximum fine which could be imposed upon conviction, in lieu of personal appearance before the Magistrate Judge.

The Magistrate Judge shall certify the record of any forfeiture of collateral for a moving traffic violation to the proper state authority.

Pursuant to the foregoing, the offenses for which collateral may be posted in lieu of appearance by the person charged with the said offenses are:
