Disabling your browser's pop-up blocker

The new Audit Assist feature of CJA eVoucher version 5.0 requires that you disable your browser's popup blocker.

To disable pop-up blocking in Internet Explorer, go to "Internet Options" (under the Tools menu, or the gear icon menu in the upper right corner of the window), select the "Privacy" tab, and uncheck "Turn on Pop-up Blocker" as shown in the screenshot.
